

## **GUILDFORD CITY BOYS FC GOLF DAY**

Welcome to all

Following the success of the previous years golf days I have decided to do another golf day and hope as many of you as possible can come along and support the day. The event will be hosted at Guildford Golf Club.

As with last year we are not only supporting the football club, but also CHASE. They provide support to seriously ill children and their families, a unique service in the local area which relies on donations and which the club are proud to support.

All the money raised from the day will be split 50:50 and it will give the club great pleasure in presenting Chase with a cheque for their part of the money raised. Last year we raised £3500 which was split between Chase and Guildford City Boys FC and hope to raise the same again if not more. My thanks and that of the two charities go out to all who have helped support and raise this large amount last year.

The course is looking great, with a number of holes having been opened up making the course easier for the not so serious golfer.

So please come along and support two very worthwhile causes in what should be a great day for all.

Ian Farminer
