

GUILDFORD CITY BOYS FC GOLF DAY

Welcome to all

I have decided to do another golf day and hope as many of you as possible can come along and support the day.

I have this year changed the money raising side of the day. We are not only supporting the football club, but also CHASE. They provide support to seriously ill children and their families, a unique service in the local area which relies on donations and which the club are proud to support.

All the money raised from the day will be split 50:50 and it will give the club great pleasure in presenting Chase with a cheque for their part of the money raised.

I have managed to get a great deal at Guildford golf club which has enabled me to keep the costs down this year. If you are a member already then it will be even cheaper.

The course is looking great, with a number of holes having been opened up making the course easier for the not so serious golfer.

So please come along and support what should be a great day for all.
